

# Application for counseling at Health Service Center

Since the spread of COVID-19, considering the continuation of on-demand classes, we have been offering remote counseling sessions over the phone and via TEAMS in addition to the face-to-face counseling. If you would like to apply for counseling, you can come to the center in person or apply by phone or email.

Reservations are accepted from 9:00 to 17:00 on weekdays.

We are not able to respond to inquiries, including emails, during weekends, national holidays, and university holidays. It may take several days to make an appointment.

In case of an emergency, please refer to the "Local medical facilities" on the Health Service Center website and consult a nearby medical institution.

To apply for counseling, you can

① Call the reception of the center at 045-339-3153.

② Send an application form to the email address
